Is He There?

Bill Repp

Is He There?

**Surrender unto the Lord,
in faithfulness take His hand.
Very few hear His message,
few even understand.
The world simply carries on,
they fail to heed His call.
Very few care to know Him,
even believe He exists at all.**

Is He There?

**So tell me is He there,
or is salvation some other way?
And does He really care,
about His children who go astray?**

Is He There?

**Surrender unto the Lord,
erasing your fear and doubt.
One day you'll live forever, it's
better to trust Him than do without.
Surrender your guilt and pride,
embracing the One on high.
For if you believe and follow, to
all those professing He won't deny.**

Is He There?

**So tell me is He there,
or is salvation some other way?**

**And does He really care,
about His children who go astray?**

**So tell me is He there,
or can I be saved in some other way?**

**And does He really care,
about His lost sheep who go away?**
