# **Signs and Wonders**

**Soon, before our Lord returns,  
prophecy unwinds.  
Hearken now unto His voice  
while ye still have time.  
For His kingdom comes to us,  
trust and have no fear.  
Days of wrath are getting closer,  
drawing ever near.**

# **Signs and Wonders**

**When the Lord one day returns  
will His angels find  
any who have not forsaken?**

**Waiting for His time.**

**Then there will be signs and wonders  
coming from on high.**

**Mankind sees the signs and wonders,  
“Is His coming nigh?”**

# **Signs and Wonders**

**Will the saints then be deceived,  
those elect of God?**

**Could it be that through deception,  
taken by the sword.**

**Wondering now which direction  
will His children take.**

**Will He come and one day save?  
Will He us forsake?**

# **Signs and Wonders**

**Much His children overcame  
to be with Him now.**

**Spirit beings fill the sky,  
live again somehow.**

**They ascend to meet Him now,  
to the sea of glass.**

**To the feast He has prepared,  
His day came to pass.**
