**He Is Always
There**

Bill Repp

He Is Always There

**In that day I will say
I'll give thanks to You Lord.**

You comfort me.

**In that day I will trust,
have no fear, You strengthen me.**

You I'll obey.

**Praise the Lord and so declare
all His deeds, make known in peace.**

He is always there.

He Is Always There

**In that time salvation's mine.
Praise His name alone He reigns.
Blessings ever Thine.**

**In that age we'll know His way.
Spirit poured out erasing doubt.
Living again that day.**

**Praise the Lord and so declare
all His deeds, make known in peace.
He is always there.**

He Is Always There

**In that place seeing His face.
Dwelling with Him free from all sin
purified by grace.**

**In that land raised by His hand.
Mighty in love living above.**

First-fruits of man.

**Praise the Lord and so declare
all His deeds, make known in peace.
He is always there.**
