The Savior Loves You

**Give yourself to the Lord,
come inherit your reward.**

**Giving all to the Son,
you become His chosen ones.**

**When the Master calls your name
you will be forever changed.**

**When His cry comes from above
you will live in perfect love.**

The Savior Loves You

**The beauty of His heart
and of His mind,
when we are renewed,
He'll impart to all.
The Savior loves you.
By His mighty hand
and by His will,
we are made anew.
Raised to live again,
the Savior loves you.**

The Savior Loves You

**Pledge to follow His ways,
yours will be length of days.
When you choose to obey,
then His blessings remain.
On the day He calls your name,
you will never be the same.
When His messengers descend,
you will live once again.**

The Savior Loves You

**The beauty of His heart
and of His mind,

He'll impart to all.
The Savior loves you.
By His mighty hand
and by His will,
we are made anew.
Raised to live again,
the Savior loves you.**

The Savior Loves You

**One day He will return,
then the world will surely learn
Who the Lord truly is
and of His holiness.**

**When He calls His children home,
none will ever be alone.**

**On the day that we are raised,
may His name be ever praised.**
