# **Beware**

**Beware! Evil's everywhere.**

**Traps are baited and set.**

**Beware! Change is in the air.**

**Days of regret.**

**It's multiplying all around,  
encircling to bring us down.**

**Careful where you tread.**

**Beware! Righteous ones take care.**

**Lest you end up dead.**

# Beware

**Take heed! Satan plants the seed  
for our sure demise.**

**Take heart! Jesus will impart.**

**His Word makes you wise.**

**He's calling to you every day,  
to everyone; forsake your way.**

**He's the Narrow Gate.**

**Take time! Be of sober mind  
before it's too late.**

# **Beware**

**Now, time is running short,  
to be within His court  
and have eternal life.**

**Now, time is running out,  
for those who still have doubt,  
enduring through the strife.**

# **Beware**

**Beware! Lest you're unaware  
and so be deceived.**

**Beware! Nothing can compare  
to what His saints receive.**

**His eyes are open to it all,  
to all of those who heed His call.**

**Who follow and obey.**

**Beware! If you truly dare,  
walk with Him today.**
